

Linxx Global Solutions

Linxx Global Solutions, Inc. (Linxx) is a service-disabled veteran-owned business with offices across the United States and in Dubai, United Arab Emirates. Our growing national and international business operations are managed from our corporate headquarters in Virginia Beach, Virginia. Over the last 16 years, Linxx has offered a wide range of educational, training, professional, and program management services around the world. We support all branches of the Department of Defense (DoD); the intelligence community; U.S. Department of Homeland Security; and other federal, state, and local agencies.

Specialist Staffing

Linxx has strong past performance providing both consulting expertise and specialist staffing in support of peacekeeping and security operations worldwide. We recruit, screen, hire, train, deploy, and manage exceptional professionals. Linxx uses full-time employees who are committed to our culture of excellence and ready to deliver a positive and lasting impact in support of our customers.

Linxx will meet your expectations and your specific requirements in a wide range of skills, including the following:

- Irregular warfare operations officer, plans officer, and staff support personnel
- Command, control, communications, computers and intelligence, surveillance, and reconnaissance (C4ISR) specialists and staffing support
- Scientific and engineering technology specialists (e.g., warrior systems, infantry technology and equipment, man-pack ISR, and development support)
- Executive protection personnel and teams (e.g., corporate, residence, mobile)
- Forward operating base force protection/security personnel (e.g., access control, static and mobile presence, and security technology deployment)
- Material inventory control management and specialist personnel (e.g., high value, classified, sensitive, or international trafficking arms regulations)
- U.S. Special Operation Command matter experts (e.g., operations; intelligence; research, development, training and evaluation; and staff support)
- Maritime domain security subject matter experts (e.g., anti-piracy, riverine counter-narcotics, counter-terrorism).

Summary

Linxx is a well run, lean company with an excellent past performance record. The value we deliver to our customers can be summed up in one word, commitment. We are dedicated to improving the security of America and her allies through insightful analysis, creative product development, and exceptional customer service. To that end, we employ a large number of former service men and women who leverage their considerable experience and knowledge to accurately address the challenges facing our U.S. Government customers. In addition to these talented veterans, Linxx employs intelligent, business-minded professionals who understand program management, risk mitigation, and quality assurance. Our service offerings are divided into three categories: Training Services, Professional Services and Technical Services.
